

Itinerary guide:

Oct/2009 - May/2010

Exploring the Sea of Cortez.

Wherever the wind and whims take us!

See a abundance of marine life and find deserted islands:

An experience of a lifetime.

See the beautiful leviathan of our planet; the migrating whales (Grey Whales, Sperm and Humpback), plus seals, seal lions, rays, and dolphins galore!

... the enchanting Sea of Cortez, follow in the wake of

**John Steinbeck, and generations of the Cousteau family.*

** During 'Whale watching' season the Grey whale makes it's 12,000mile decent from the Arctic, to breed in balmy Pacific lagoons.*
